4 Swallow Avenue—Public Hearing

An ARB application to consider the architectural design and materials for the proposed renovation and extension of a 4,564 sq. foot single-family home. The new residence will be a 2-story residence with a basement which will include 4 bedrooms and a playroom. The 1st floor will include a kitchen-dinette, a dining room-living room, a playroom, study, and a family room as well as a deck in the rear. The second floor will include 5 bedrooms and a laundry room.

Tax Map Designation: Section: 62.12 Block: 2 Lot: 33
