1. 6 Jacqueline Road –Public Hearing

An ARB application to consider the architectural design and materials for the proposed demolition of the existing residence and the construction of a new, modern single-family residence. The new residence will be approximately 7,379 sq. feet and will feature a basement with a gym, spa, and playroom. The first floor will include a dining room, living room and kitchen, while the second floor will have three bedrooms and a master suite. The rear of the house will include a patio with a pergola.
